

**EDUCATION
COMPLETE**
CONSULTANCY

Education Complete Consultancy is a **unique organisation** that is only made up of serving **Head teachers, deputies and teachers**. All our staff have a thorough knowledge of the entrance requirements for the most prestigious State and Independent schools.

We are currently offering **Complete courses** schools to help prepare your child for **7+, 11+ , 13+ , GCSE and A levels** .

We offer One : One through Skype or home visits, and group tuition.

7+ Tuition:

These classes are designed to support children preparing for the 7+ exams for Independent Schools. They are equally suitable for **bright children** who need an **extra boost** in their schooling by the time they reach 7. Group classes have no more than 10 children and run **weekly** from September 2014- July 2015. One and a half hours a week

11+ Tuition

⇒ **Fast track Intense Preparation Programme** for pupils in Year 6. Courses begin end of July—November 2014 and run for 12 weeks—3 hours a week

⇒ **One Year Programme** for year 5 pupils— Group Tuition at our centers in Muswell Hill for 11+ and SATs level 6. These classes begin in September 2014, and will run for one hour each week for each area of skills tested (Maths, English and Reasoning) up until July 2015.

13+ Tuition

Please phone as to discuss your requirements. These will be mainly **one to one lessons** as demand for 13+ entry is usually low. However, should we get enough interest it may be possible to run **Group** sessions in our Muswell Hill Branch.

We also provide tuition via Skype. For more information contact us directly.

'One of my friends advised me to talk to you and I will never forget the advice that you gave us after you assessed him. We put our trust in you and during the first 4 weeks of tutoring we saw a transformation in Josh. He began to look forward to his Maths and English lessons, and his mid-year school report showed that he was doing better than expected. Josh passed his exams and got into all three schools that we applied for. Imagine our delight. From having no hope to actually have the opportunity to make a choice. Thank you so much and yes I will be recommending Education Complete to my family and friends.'

Mrs D, East Finchley
